Effective workaround: I tried all of the above, but still could not get Acrobat 9 to convert text hyperlinks in Word to working links in PDF. However, after some searching on the Internet I found a very effective workaround, using an Acrobat feature to manually add the links once the PDF file has been created.

MS Word Hyperlinks not working after Converting to PDF.

Do you hate grocery shopping as much as I do? Do you wander through the countless shelves back and forth to pick your items? Do you happen to write the products you need on a piece of paper at the very last minute..
