Kent Beck (born 1961) is an American software engineer and the creator of extreme programming, a software development methodology that eschews rigid formal specification for a collaborative and iterative design process. Beck was one of the 17 original signatories of the Agile Manifesto, the founding document for agile software development. Extreme and Agile methods are closely associated with ...

Software programming. CHIRP free radio programming software CHIRP is constantly being updated and improved to work on more and more radio models, but often has major or minor issues when attempting to program Baofeng HTs, depending on the radio firmware version, and the Baofeng's firmware cannot be updated; however, the majority of problems I've seen have been user errors
