1A. Theories of Learning Here are some introductory overviews of modern "active learning" theories: An introduction to theories about Learning & Cognition is Joyce Alexander's overview-summaries of learning theories, behaviorism, cognitive information processing, meaningful reception learning, cognitive development, and constructivism.

Active-Learning Theories (constructivism,...) and Teaching

Please note that none of these six foundational elements of the Official View were discovered by high-tech neuroscience. All are old ideas that were part of the moral and medical way perspectives on addiction of the 19th century, particularly those of the American temperance movement.⁵¹ Most can be traced much further back in history, for example to the medieval idea of demon possession, to St ...

The language of the Welsh developed from the language of Britons, according to academic T. M. Charles-Edwards. The emergence of Welsh was not instantaneous and clearly identifiable. Instead, the shift occurred over a long period of time, with some historians claiming that it had happened by as late as the 9th century, with a watershed moment being that proposed by Kenneth H. Jackson, the ...

The earliest depictions of the Nautilus are Hildibrand's many engravings (of Alphonse de Neuville's and Edouard Riou's drawings) that graced the pages of the original publications. The full submarine as shown submerged matches Verne's words although details are lacking in the long-range views. The deck views show more detail, although they are not strictly consistent.
