

interior decoration examples and pdf

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. An interior designer is someone who plans, researches, coordinates, and manages such projects. Interior design is a multifaceted profession that includes conceptual development, space planning, site inspections ...

Interior design - Wikipedia

Addressing interior design and decoration from the ancients to the moderns, this text describes the dominant influences of fashion design and focuses on the close relationship between interior design and the architecture of our times.
