Edexcel IGCSE poetry notes by jonathan.peel - Teaching

Basically, all humans have needs and wants. Needs are things we can't live without, while wants are simply our desires that we can live without. We all have unlimited wants, which is true, since all of us want a new PC, a car, new graphics card, etc. that we actually do not need to live. Businesses produce goods and services to satisfy needs and wants.

Presentation of data from market research Presentation of data is important because it converts raw data into a form that is easier to understand. Information can be displayed as: Table/tally chart: It is the most suitable method of presenting data when raw data is needed. However, it offers little more than that and the information should be converted into other forms if it needs to be ...
