The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials! They are especially good lists for ELL and ELD students and are great to ...

By definition a research paper requires the writer to learn a great deal about their subject, so it is always a good practice to select a topic that truly interests you before you begin gathering sources.. If you are interested in your topic, learning about it will be more pleasurable and you will write with greater passion, so choose your topic thoughtfully.
