The Passive Voice - Perfect English Grammar

Perfection is a state, variously, of completeness, flawlessness, or supreme excellence.. The term is used to designate a range of diverse, if often kindred, concepts. These have historically been addressed in a number of discrete disciplines, notably mathematics, physics, chemistry, ethics, aesthetics, ontology, and theology.

An ontological argument is a philosophical argument for the existence of God that uses ontology. Many arguments fall under the category of the ontological, and they tend to involve arguments about the state of being or existing. More specifically, ontological arguments tend to start with an a priori theory about the organization of the universe. If that organizational structure is true, the ...

in the news. A hacker is not someone who posts to someone's account when they leave some social media page open or shoulder-surfs passwords and then logs into their account later. That's not hacking. A hacker

also is not someone who downloads a script kiddie tool to break into someone's email. Those aren't hackers; those are just thieves and vandals.
